 **Products**

DF-8063 Water-resistance Day&Night Rear View B/W Camera
 1/3inches,380TV Lines,IR Series Distance 5 Meter

Model: TAM-662A
 1. 5.5" green picture tube

2. The display with two audio frequency/video frequency input (C1, C2)
3. Display with audio frequency and video frequency output
4. This kind of product is suit to auto rearview mirror
5. The display's power output is DC12V
6. Dimensions(W/H/D):189 x 176 x 253 mm (inch. mount)
7. Shock Rating:6.8g

Detailed:

Mode: PAL or NTSC

Size: 5.5"

Frequency: 50HZ(PAL)60HZ(NTSC)

Video frequency input: 1VP-P(75Ω)

Audio frequency output: 0.1VP-P(75Ω)

Working temperature: -22F-+158F

Environment temperature: -20°C - +60°C

Working pressure: DC11V-32V

Power: 15W

Wire Length: 15 Meter(electrical outlet for)

Product packing dimensions : 28.5cm(L)*17cm(W)*19.5cm(H)

Gross weight : 4100g
